

Woogloo

Crafting Cozy Retreats

Your Escape, Our Expertise

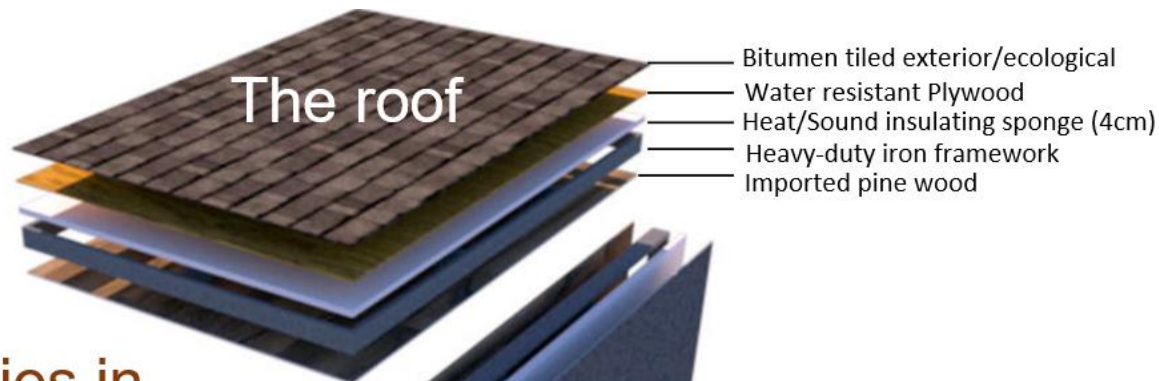

About **Woogloo**:

Woogloo is more than just a company that makes wooden pods; it's a creator of special moments.

Situated at the meeting point of innovation and nature, **Woogloo** turns dreams into real wooden getaways. Each pod has its own story, with the wood holding onto memories waiting to happen. We promise top-notch luxury for resorts, Airbnb's, or even your secret farmhouse, focusing on creating cool, nature-friendly adventures that people will remember.

Woogloo is all about making not just places to stay but cool, nature-friendly adventures that people will remember

The craft lies in the details....

Traditional Construction
90-180 days construction

- Step 1:
Find architect/designer and design the house
- Step 2:
Legal processes
- Step 3:
Buy supplies
- Step 4:
Find construction crew
- Step 5:
Manage construction
- Step 6:
Unwanted changes to construction milestones including increase in unexpected costs

Woogloo

30-45 days all ready!

- Step 1:
Choose the design you want and make subtle changes to make it your own
- Step 2:
Simpler legal process
- Step 3:
All construction off-site until the day of installation!

Yes including all internal wiring, lighting and utilities!....
